

Appendix 4. List of included and excluded studies

4.1 - List of eighteen scientific studies included

First author (Paper publication)	Year	Title	Language of publication	Country of publication	Source	Approach	Targets all or a large part of the population of a given local area	Deployed by the public health and social care network, with or without collaboration
Shukor (The Permanente Journal)	2018	Developing Community-Based Primary Health Care for Complex and Vulnerable Populations in the Vancouver Coastal Health Region: HealthConnection Clinic	English	Canada	Databases	Integrated community care (health and social care, localized, cross-sectoral)	Yes	Yes
Hatano (International Journal of Integrated Care)	2017	The Vanguard of Community-based Integrated Care in Japan: The Effect of a Rural Town on National Policy	English	Japan	Databases	Integrated community care (health and social care, localized, cross-sectoral)	Yes	Yes
Eastwood (International Journal of Integrated Care)	2019	Designing an Integrated Care Initiative for Vulnerable Families: Operationalisation of Realist Causal and Programme Theory, Sydney Australia	English	Australia	Databases	Integrated community care (health and social care, localized, cross-sectoral)	Yes	Yes
Eastwood (International Journal of Integrated Care)	2018	The Healthy Homes and Neighbourhoods Integrated Care Initiative (conference resume, considered concurrently with 29)	English	Australia	Databases	Integrated community care (health and social care, localized, cross-sectoral)	Yes	Yes
Eastwood (International Journal of Integrated Care)	2020	Care Coordination for Vulnerable Families in the Sydney Local Health District: What Works for Whom, under What Circumstances,	English	Australia	Author follow-up	Integrated community care (health and social care, localized, cross-sectoral)	Yes	Yes

		and Why?						
Tennant (BMC Health Services Research)	2020	A critical realist evaluation of an integrated care project for vulnerable families in Sydney, Australia	English	Australia	Databases	Integrated community care (health and social care, localized, cross-sectoral)	Yes	Yes
Eastwood (International Journal of Integrated Care)	2020	Refining Program Theory for a Place-Based Integrated Care Initiative in Sydney, Australia	English	Australia	Databases	Integrated community care (health and social care, localized, cross-sectoral)	Yes	Yes
Hamiti (Norois)	2014	Territorialisation des soins primaires : initiatives des collectivités et des professionnels de santé sur le Massif central pour une autre gouvernance	French	France	Databases	Localized and integrated cross-sectoral health care	Yes	Yes
Segura (Education for Health)	2007	Towards Unity for Health in the Barceloneta: An Innovative Experience in Community-Based Primary Health Care	English	Spain	Databases	Localized and integrated cross-sectoral health care	Yes	Yes
Fournier (Sciences Sociales et Santé)	2014	Concevoir une maison de santé pluri-professionnelle : paradoxes et enseignements d'une initiative en actes	French	France	Databases	Localized and integrated cross-sectoral health care	Yes	Yes

Dalton (International journal of integrated care)	2018	Using the Project Integrate Framework for assessing progress towards care integration: results from a formative evaluation of a complex intervention in Central Coast Local Health D... (conference resume considered concurrently with S9-b)	English	Australia	Databases	Integrated community care (health and social care, localized, cross-sectoral)	Yes	Yes
Dalton (International Journal of Integrated Care)	2019	Formative Evaluation of the Central Coast Integrated Care Program (CCICP), NSW Australia	English	Australia	Author follow-up	Integrated community care (health and social care, localized, cross-sectoral)	Yes	Yes
Read (International Journal of Integrated Care)	2019	Using the Project INTEGRATE Framework in Practice in Central Coast, Australia	English	Australia	Author follow-up	Integrated community care (health and social care, localized, cross-sectoral)	Yes	Yes
Dalton (Evaluation report)	2018	Central Coast Integrated Care Program: Formative Evaluation Report for the Central Coast Local Health District (report considered concurrently with S9-b)	English	Australia	Author follow-up	Integrated community care (health and social care, localized, cross-sectoral)	Yes	Yes
Self (Canadian nurse)	2005	Street Outreach with No Streets	English	Canada	Databases	Localized and integrated cross-sectoral health care	Yes	Yes
Castriotta (BMJ Open)	2020	Measuring the impact of a social programme on healthcare: a 10-year retrospective cohort study in Trieste, Italy	English	Italy	Other	Integrated community care (health and social care, localized, cross-sectoral)	Yes	Yes

Di Monaco (SSM Population Health)	2020	Promoting health equity through social capital in deprived communities: a natural policy experiment in Trieste, Italy	English	Italy	Other	Integrated community care (health and social care, localized, cross-sectoral)	Yes	Yes
Leask (AIMS Public Health)	2019	Implementation of a neighbourhood care model in a Scottish integrated context—views from patients	English	Scotland	Databases	Integrated community care (health and social care, localized, cross-sectoral)	Yes	Yes

4.2 - List of selected grey publications (N=8)

First author (paper publication)	Year	Title	Language of publication	Country of publication	Source (Google scholar, Website, snowbal, other)	Approach	Targets all or a large part of the population of a given territory	Deployed by the public health and social care network with or without collaboration
Bufileco (Politecnico di Milano)	2008	The reflective Institution and the city : Space based policies upsetting organisations in TRIESTE	English	Italy	Other	Integrated community care (health and social care, localized, cross-sectoral)	Yes	Yes
De Titta (Collection « Recherches » du PUCA)	2008	TRIESTE : La sécurité comme effet collatéral dans la région Frioul Vénétie julienne	French or Italian	Italy	Other	Integrated community care (health and social care, localized, cross-sectoral)	Yes	Yes
Bricocoli (European Spatial Research and Policy)	2012	Growing old in cities. Council housing Estates in Trieste as laboratories for new perspectives in urban planning	English	Italy	Other	Integrated community care (health and social care, localized, cross-sectoral)	Yes	Yes

First author (paper publication)	Year	Title	Langage of publication	Country of publication	Source (Google scholar, Website, snowbal, other)	Approach	Targets all or a large part of the population of a given territory	Deployed by the public health and social care network with or without collaboration
Colle (Trieste Prima)	2018	La comunità che fa salute le microaree di Trieste per l'equità (treated concurently with 25)	Italian	Italy	Other	Integrated community care (health and social care, localized, cross-sectoral)	Yes	Yes
Morin (IUPLSSS du CIUSSS de l'Estrie - CHUS)	2017	Évaluation du déploiement des intervenants dédiés et des changements associés au sein de l'équipe quartier : Intervention de quartier (Sherbrooke) du CIUSSS de l'Estrie - CHUS	French	Canada	Website	Localized and integrated cross-sectoral social care	Yes	Yes
Morin (IUPLSSS du CIUSSS de l'Estrie - CHUS)	2011	L'intervention de quartier au CSSS-IUGS une recherche évaluative	French	Canada	Website	Localized and integrated cross-sectoral social care	Yes	Yes
Morin (IUPLSSS du CIUSSS de l'Estrie - CHUS)	2015	L'intervention intersectorielle en santé et services sociaux dans ses liens avec les dimensions de l'habitation et le logement social	French	Canada	Website	Integrated community care (health and social care, localized, cross-sectoral)	Yes	Yes
Allaire (Private report)	2021	Évaluation Lac-Mégantic (CMO)	French	Canada	Author follow-up	Integrated community care (health and social care, localized, cross-sectoral)	Yes	Yes

4.3 – List of excluded scientific studies (N=36)

First author	Year	Title	Exclusion reason
Robertson	2017	Space, time and demographic change A geographical approach to integrating health and social care	Not an empirical study (theoretical study)
Molina	2016	From Design to Action in Clinical and Social Complexity: Continuous Assessment of the Alt Penedés Program	Targets a population subgroup (patients with chronic diseases)
Shaw	2012	Extending primary care: potential learning from Italy	Targets a population subgroup (elderly patients with long-term illnesses)
Pearson	2015	Providing effective and preferred care closer to home: a realist review of intermediate care	Targets a population subgroup (long-term acute care patients)
Morton-Chang	2017	iCOACH: Integrated care as boundary spanning: Organizational workarounds in the delivery of community based primary health care	Initiative not deployed by the public health and social care network
Meloche	2017	INTEGRATE: How One Community is Advancing Integrated Care for Seniors	Targets a population subgroup (seniors suffering from chronic diseases)
Leemrijse	2018	Providing integrated health and social care to vulnerable populations in the community	Targets a population subgroup (patients with multiple health and psychosocial problems)
Madsen	2018	Implementation of innovative integrated models of Community-based Primary Healthcare CBPHC in Denmark iCoachDK - a study protocol	Not an empirical study (realist review)
Phelan	2018	Challenges in care co-ordination: missed care in community nursing	Issue of the specific local area of the intervention
Tuner	2019	Evaluating models of neighbourhood care	Targets a population subgroup (elderly people at the end of their lives and socially vulnerable)
Pickett	2015	American Journal of Psychiatric Rehabilitation	Targets a population subgroup (homeless people) and specific local area issues
Eastwood	2019	Sig health and social care working meeting	not an empirical study (reflection on the scope of the foundations of health and social care integration)
Tumiel-Berhalter	2011	The Implementation of Good for the Neighborhood: A Participatory Community Health Program Model in Four Minority Underserved Communities	Private initiative
Cole	2008	The Health Action Zone Initiative: Lessons from Plymouth	Multiple projects evaluation
Arole	2009	Sustainable transformation of communities: The Jamkhed experience- "We have done it ourselves!" [References]	NGO initiative. Accepted approach as an international standard.

First author	Year	Title	Exclusion reason
DeHaven	2020	Designing health care: A community health science solution for reducing health disparities by integrating social determinants and the effects of place	Targets a population subgroup and a specific research methodology (community-based participatory research (CBPR) practices for developing place-based initiatives)
McCrary	2019	An overview of the role of the district nurse caring for individuals with complex needs	Description of the practice of a single home care worker
Henderson	2018	Regional responses to the challenge of delivering integrated care to older people with mental health problems in rural Australia	Regional area level, remote from the local area
Inoue	2019	Implementation of a neighbourhood care model in a Scottish integrated context—views from patients	Analyses the issues that lead to having health zones closer to the populations to meet the needs. Also, strongly hospital-centred
Stone	2019	Investing in the Social Dimensions of Health: Community-based programs can bridge the medical and social worlds to meet older adults' needs	General discussion paper (not an empirical study)
Aligué	2016	Towards a Collaborative Integrated Healthcare Model in Tona	Conference abstract without follow-up information
McLachlan	2016	Waluwun - an integrated approach towards health and wellbeing in Western NSW, Australia	Conference abstract without follow-up information
McLachlan	2018	It Pays to be Well Connected - Delivering an integrated system of care in Western New South Wales, Australia	Conference abstract without follow-up information
Becker	2005	An innovative geographical approach: health promotion and empowerment in a context of extreme urban poverty	Initiative by an NGO
Schulte	2017	Conducting a Health Needs Assessment to Identify Potentials for Population-based Integrated Care Models in Socially Deprived Urban Regions – The Example of the Integrated Care Project “Billstedt-Horn” in Hamburg, Germany	Conference abstract without follow-up information
McLachlan	2017	Delivering an integrated system of care in Western New South Wales, Australia	Conference abstract without follow-up information
Stairmand	2018	Prototyping Innovation in Place-Based Integrated Care Teams in Eastern Cheshire	Conference abstract without follow-up information
Allworth	2018	An exploration of models of care coordination to meet the needs of families requiring health and social care in Sydney, Australia'	Conference abstract without follow-up information

First author	Year	Title	Exclusion reason
van de Schoot	2018	Building Blocks of Knowledge on integrated care for professionals in neighborhood teams	Conference abstract without follow-up information
Charles	2019	Designing integrated primary care in Toronto Canada	Conference abstract without follow-up information
D'Ambrosio	2017	Coordinated care for older adults utilizing the flourish model - A shared care approach	Conference abstract without follow-up information
Gray	2018	Mapping for Conceptual Clarity: Exploring, Implementation of Integrated Community-Based Primary - Health Care from a Whole Systems Perspective	Targets a population subgroup (elderly with complex needs)
Anderson	2012	Community Health Centers and the Patient-Centered Medical Home: Challenges and Opportunities to Reduce Health Care Disparities in America	Issue of the specific territory of the intervention
Morikawa	2014	Towards community-based integrated care: trends and issues in Japan's long-term care policy	Issue of the specific local area of the intervention and no empirical results
Robelet	2005	La coordination dans les réseaux de santé : entre logiques gestionnaires et dynamiques professionnelles	Issue of the specific local area of the intervention
Eastwood	2019	Implementation, Mechanisms of Effect and Context of an Integrated Care Intervention for Vulnerable Families in Central Sydney Australia: A Research and Evaluation Protocol	Not an empirical study

4.4 – List of grey literature excluded (N=9)

First author	Year	Title	Exclusion reason
Le collège des médecins de familles du Canada (CMFC)	2018	Innovation in Primary Care: Caring for Unattached and Marginalized Patients	Target population subgroups
Hass	2013	Les collectivités territoriales et l'offre de soins de proximité	Issue of the specific local area of the intervention
Healthcare Improvement Scotland	2019	Learning from neighbourhood care test sites in Scotland	Issue of the specific local area of the intervention
Morin	2019	Cadre de référence à l'intention des établissements : Améliorer l'accès, la qualité et la continuité des services de proximité généraux et de santé mentale	Not an empirical study
Morin	2015	Intervention de proximité en CSSS, une pratique de pointe du CSSS-IUGS : guide d'accompagnement	Not an empirical study

First author	Year	Title	Exclusion reason
NSW Ministry of Health (Australie)	2018	NSW Health: Strategic Framework for Integrating Care	Issue of the specific local area of the intervention
TransForm Integrated Community Care (Transnational Forum on ICC)	2018	1st Transnational Conference on Integrated Community Care: 'Making the case for Integrated Community Care' (Hamburg, Germany)	Summary report of the conference papers, discussions and lessons learned
TransForm Integrated Community Care (Transnational Forum on ICC)	2019	2nd Transnational Conference on Integrated Community Care: "Towards People-Driven Care" Engaging and Empowering Individuals, Carers and Families through Integrated Community Care (Turin, Italy)	Preparatory document and summary report of the conference papers, discussions and lessons learned
TransForm Integrated Community Care (Transnational Forum on ICC)	2019	3rd Transnational Conference on Integrated Community Care: 'Building stronger communities through Integrated Community Care' (Vancouver – Canada)	Preparatory document and summary report of the conference
